

Pennsylvania Holstein Association
2016 Summer Picnic and Open House

Zaginaylo Family:
Laune, John, John, Michael & Rosalie Zaginaylo

The Pennsylvania Holstein Association state picnic was a great success with over 230 Holstein members and friends visiting Four-Zag Hill Holsteins, the Zaginaylo Family of Berwick, PA. Those attending had the opportunity to look over the Four-Zag herd of Registered Holsteins. Many came to see the new 80 cow bed pack dairy barn and step-up parlor recently completed by Zaginaylo family. There was a lot of interest in the design and functionality of the barn. The Zaginaylo family including: John, Laune, Michael, John and Rosie were gracious hosts to all and had the herd and their farmstead ready for all to enjoy. There was time to visit with friends and neighbors over a picnic lunch and people were able to judge three (3) classes of cows to test their judging skills.

Pennsylvania Holstein and the Zaginaylo family would like to thank the many agri- businesses and friends who helped make the day a success. Their support enabled all to enjoy a great day of fellowship, education and fun.
