

Pennsylvania Holstein is in need of the following for business we are working on at this time.

**CATTLE NEEDED:**

We need breeding age heifers that are registered or sire identified.  
They need to be tested negative for leucosis, neospora and BVD.

We need 200 Registered Holstein heifers six (6) to ten (10) months old.

We need Sire Identified Holstein heifers three (3) to six (6) months old with DHIA records.

We need Fresh (30-50 day fresh) free-stall cows (in their first or second lactation) They must be on DHIA test.

If you have animals for sale that meet these specifications, please contact David Lentz at 717-329-9202 or by e-mail at [djl1018@pa.net](mailto:djl1018@pa.net)

As always, if you have cattle to market or are in need of cattle, please contact Pennsylvania Holstein Association at 814-234-0364 or by e-mail at [contact@paholsteins.com](mailto:contact@paholsteins.com)
