

## Toasted Cheese Thank You

The Pennsylvania Junior Holstein Association thanks everyone who supported our toasted cheese sandwich sale at the 2016 All-American Dairy Show. We had a great year selling sandwiches and appreciate the support of the following who gave donations to support our efforts:

Eye-Like Holsteins - Jeff & Cindy Shaffer  
Land O' Lakes Inc.  
Maryland & Virginia Milk Cooperative Inc.  
Berks County Holstein Association  
Centre/Clinton Holstein Association  
Penn-Dell Holsteins, James Houser Family  
Frank Connelly  
Crawford County Junior Holstein Association  
Clifford Zook  
Huntingdon County Holstein Association  
South-Creek Acres, Brett & Laura Taylor  
Allied Milk Producers  
Bimbo Bakery

We also want to say a big thank you to the many, many volunteers who helped grill and sell sandwiches all week. The time and effort of all our volunteers helped make this year a success.

The Pennsylvania Junior Association sells toasted cheese sandwiches and uses the funds generated to support our junior members from across the state who participate in our over 30 contests and awards programs throughout the year. We also look at this as an opportunity to serve exhibitors and spectators attending the All-American Dairy Show a product made with real dairy products.
