In case a herd is registered or bred in names of different members of a family, residing on one farm or breeding establishment and where the herd is one unit, all entries may be considered as a single exhibitor. Animals owned in partnership will assign the Exhibitor at the time of animal check-in, it is the Exhibitors responsibility to contact show management to define the Exhibitor. Only one Exhibitor will be defined for Exhibitor recognition, there will be no splitting of Exhibitor points.

February 2025

member of the same age or younger may exhibit the animal.

Clarification: Any owner(s) exhibiting an animal in a PHA Junior Show must have a current paid Junior PHA membership (\$20) for each name listed as an owner on the registration paper regardless of age.

-Any exhibitor under the age of 9 years listed as the owner or in partnership with an adult(s) on the registration paper of an animal may show in a PHA Open Show (not a Junior Show) as long as there is a current paid PHA membership of \$20. Once the member turns 9 years of age he/she is eligible to show in both PHA Open and Junior Shows if he is not in partnership with any adult member(s). NOTE: Any youth under the age of nine years old paying a \$20 membership to show in an Open Show is not eligible to compete in any other PHA Junior competitions.

-A partnership of Junior members may include a NATIONAL Holstein Junior member of any age. However, in order for the animal to be shown for Junior recognition at least one of the owners (partners) must be a minimum of nine years old but not have reached their 21st birthday by January 1 in the year competing.

-Animals leased only through the Holstein Association USA Lease Program are eligible for Youth Recognition at Pennsylvania Holstein sponsored shows. Leased animals must be shown by the leasee at all shows or the lease will be terminated. Lease applications for all must be received and processed at Holstein USA by July 15 of that year.

-Junior membership to PHA must be paid. Membership to Holstein USA is at the juniors discretion keeping in mind that you must have a paid membership to participate in the national level programs.

-At PHA sanctioned shows, there will only be one person on the halter. The individual that enters the ring and leads the animal in the ring must finish the class.
