

Toasted Cheese Thank You

The Pennsylvania Junior Holstein Association thanks everyone who supported our toasted cheese sandwich sale at the 2018 All-American Dairy Show. We had a great year selling sandwiches and appreciate the support of the following who gave donations to support our efforts:

Penn-Dell Holsteins

Clifford Zook

South-Creek Acres

Berks County Holstein Association

Huntingdon County Holstein Association

Frank Connelly

Centre/Clinton Holstein Association

Land O' Lakes Inc.

Crawford County Junior Holstein Association

Jeff & Cindy Shaffer

We also want to say a big thank you to the many, many volunteers who helped grill and sell sandwiches all week. The time and effort of all our volunteers helped make this year a success.

The Pennsylvania Junior Association sells toasted cheese sandwiches and uses the funds generated to support our junior members from across the state who participates in over 30 contests and awards programs throughout the year. We also look at this as an opportunity to serve exhibitors and spectators attending the All-American Dairy Show a product made with real dairy products.
