

2020 PA Holstein Fun Auction

The Pennsylvania Junior Holstein Association would like to thank the 22 donors and 24 buyers who helped make our 2020 Fun Auction a success. Through the generosity of all the donors, buyers and contenders we were able to raise \$4,400 to support our 1,650 Pennsylvania Junior Holstein members. Topping the sale at \$1,300 was a “basket” of three (3) embryos donated by: Heart & Soul Holsteins, Cashell Holsteins and Penn-Dell Holsteins along with implanting donated by Centre Herd Health. The basket was purchased by Connie & Scott Troutman. The second-high item at \$750 was a Pneu Dart Gun and accessories donated by Pneu-Dart and purchased by Ken & Marilyn Umble.

The funds raised help run the over 30 programs and activities sponsored by the Pennsylvania Holstein Association and the Pennsylvania Junior Holstein Association including the Dairy Bowl, Dairy Jeopardy, Speech Contests, Distinguished Junior Member contest, Junior Judging School, shows, convention programs and many other activities.

Thanks to our sale staff that kept the crowd entertained throughout the morning. They included John Wetmore, auctioneers; David Lentz, Ken Umble, Tom Uber and Ken Raney. Beth Raney cataloged all the sale items in and served as the sale clerk.

The Fun Auction was a great way to end the Awards Breakfast held at the 2020 PA Holstein Convention hosted by the Central District at the Holiday Inn, Williamsport.
